

J-17060/404/2015-DDU-GKY
Ministry of Rural Development
Department of Rural Development
(Rural Skills Division)

New Delhi, dated: 11th August, 2016

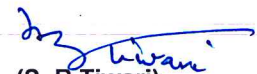

NOTIFICATION NO. 39/2016

Sub: Conduct of courses for Persons with Disabilities and long duration courses under DDU-GKY (including Roshni and Himayat)-reg.

It is hereby stated that Section 3.1.2 of DDU-GKY Guidelines mandates that State Governments have to ensure at least 3% of beneficiaries under DDU-GKY target allocated in the State shall be Persons with Disabilities. This needs to be implemented. Further, the Ministry has observed that long term courses with training duration of 1152 hours or more have the potential to ensure skilling which leads to sustainable placements, especially in case of rural poor youths. However, PIAs had generally stayed away from long term courses in the past since per-hour training costs were less for long term courses. Now, with the adoption of category-wise (depending on job roles) as prescribed in Common Norms for skill development courses notified by Ministry of Skill Development and Entrepreneurship, any such disincentive for a PIA to undertake long term courses is removed. The Ministry, in consultation with the stakeholders, has mandated that a minimum of 30% of target approved for a State shall be earmarked for projects with duration equal to or more than 1152 hours.

2. Accordingly, it is stated that States, in project appraisals and sanction of projects, shall ensure earmarking of targets for such projects to cover the PwD beneficiaries and minimum target prescribed for long duration courses in the State. A State-wise minimum targets for coverage of PwD beneficiaries and targets for long duration courses for the Financial Year 2016-2019 are given at Annexure for quick reference. The targets have been incorporated in the central application system. It is also stated that from amongst the applications filed online on the central portal (ddugky.gov.in), each State may identify project applications with projects for PwD and long duration courses, and give preference in allocation of projects to such PIAs, subject to fulfillment of appraisal criteria. Achievements against this parameter shall be reviewed in the Quarterly Review meeting and Performance Review Committee meetings in the Ministry.

3. This issues with the approval of Competent Authority.
